

# 7<sup>TH</sup> GRADE CLASS NEWSLETTER

Miss Hosmon, advisor August 18

## WE'RE OFF TO A JOYFUL START

We're off and already enjoying the 2008-2009 school year. Welcome to your first Monday note. The purpose of this newsletter is to provide specialized you with helpful information on a weekly basis. You can expect to receive it each Monday to stay on top of important happenings for seventh graders at Redeemer Lutheran School. In an effort to save paper, I will e-mail it each week but please let me know if you would like me to send home a hard copy. I will post it on the website each week as well, so feel free to check there as well. The website is a great tool to familiarize yourself with as I post projects, deadlines, test dates, etc on there to keep everyone up to date. Please visit it often. Also, please remind your child to use his or her assignment notebook to stay on top of daily assignments as those will not be posted on the website.

Edline can be checked regularly to stay on top of your child's grades through the website as well.

One last thing...I have told the students they may bring healthy snacks to school to eat during Reading from 10:45-11:30. It needs to be healthy and not require a spoon or fork. This site has some great ideas. [http://www.betterschoolfood.org/downloads/resources/BSF\\_Healthy\\_Snack\\_List.pdf](http://www.betterschoolfood.org/downloads/resources/BSF_Healthy_Snack_List.pdf) Just so you know, we are a sugar free classroom! No sweets for us this year. We're healthy eaters!

## CURRICULUM INFORMATION

In Religion, we have begun the year with a study of the Old Testament which begins with the book of Genesis taking a close look at how we can be good stewards to the world he has entrusted to us.

In Reading, we are starting off the year with a fun book entitled Rules by Lord. Each student will give a presentation to the class about a lesson they learned from the book at the completion of the story. The presentation is their choice, but must be approved by Miss Hosmon.

In Social Studies, we start off the year with a study of the themes of Geography. We'll breeze through Chapter 1 this week and take an open book test on Friday.

Memory Work will be assigned and tested every other week. The first test will be next Friday, August 22.
