

Redeemer Library Information & Playaway Guidelines Agreement Grades 3-8

Redeemer's library is filled with wonderful books for your child. All students are encouraged to check out materials that interest. Students are also assisted with finding books that meet their current book report requirements. Fiction, non-fiction, biographies and reference materials are always available.

- All books and DVDs have a three week loan period. Overdue items are fined 5 cents per day for everyday late. Fines do not accrue on days the library is closed.
- Lost materials may be replaced with a duplicate title. Should you choose, the cost of the item may also be charged to your school account.
- Fines for all overdue materials and fines will be printed quarterly and sent home with your child. Parents should ask their child to show them their fine notices each quarter in case they have any.
- You may contact Mrs. Hascup at anytime to inquire about fines, lost books or overdue materials by emailing her at dhascup@redeemerstuart.com.

Redeemer's Media Center is now offering a modern way to deliver audio books. Playaway MP3 audio books are a new way of listening to literature on neat little digital players. Playaways look like a little book on one side, complete with authentic jacket art. On the other side, they have a simple set of controls that are easy to use. We are certain that your students will be excited about checking out playaways from our Media Center.

The following is a break down of the guidelines and expectations for students who wish to take advantage of this special opportunity.

- If a playaway MP3 audio book is returned in unsatisfactory condition students may be responsible for any and all expenses required to replace the playaway MP3 audio book. Students and families should understand that the fee to replace a playaway MP3 audio book can range from \$40-\$70 dollars. Therefore students should do everything within their power to protect the playaway MP3 audio book from damage.
- Students should use their own headphones or earbuds for sanitary reasons and may have to replace batteries as needed (one triple A or AAA battery lasts about 12 hours). We will also change batteries if needed.
- Playaway MP3 audio books cannot be used for book reports or class projects (unless special arrangements are made with your child's Literature teacher) and are intended solely for vocabulary enrichment, genre exploration and listening pleasure.

Please cut here. Sign and return by 8/31. Thank you!

I have read, understood and agree to the Library & Playaway guidelines and expectations listed above.
