For every K-8th grade student entering Redeemer for the first time or returning to the school after attending another school, the Application Fee is \$30 and the Testing Fee is \$100. There are also fees which will apply to the middle school families for their yearly class trips and the approximate prices are as follows:

6th grade- \$500
7th grade- \$400
8th grade- \$600

Parents purchase school uniforms from an independent distributor; uniforms are not covered by tuition or the registration fee. You are welcome to the uniform closet, which has lightly worn uniforms free of charge.

Congregational Support

Tuition payments do not cover the true cost of our students' education. The members of Redeemer Lutheran Church believe firmly in the importance of Christian education, so the congregation is subsidizing the school with more than \$100,000.00 for the 2013-2014 school year. [Financial Aid is available on an as-needed basis. Contact the school office for an application packet.]

*** Class trip fees are not included in registration or tuition.

*** Tuition payment breakdown for families registering after June 15 may differ from the above tuition rates-based on date entering the school and available payment dates remaining in the school year.
