## **Imagine if Each Member Prayed One Prayer a Day...**

Each Redeemer household is receiving this booklet as part of the *Crossing the Bridge to the Future...Together* campaign. Imagine what would happen if every member prayed the simple daily prayer in this booklet each day. That would be over 700 prayers a day asking God to help us understand His purpose for our church, bless this campaign, and help us better proclaim His Word to our members, the community, and the world.

We ask that you put this booklet on your nightstand, near the dinner table, on your desk at work, or wherever it will be convenient for you to take a moment and say the daily petitions.

These petitions were written specifically for our church and school. You will note that the same prayer is repeated each Monday. This is the prayer that specifically asks for God to be merciful to our campaign. If you notice that the daily prayers differ in style, it is because our own Redeemer members, along with children from our day school, wrote many of the prayers. The Sunday prayers are the same as those prayed in church each week. We know that each of these prayers will be a blessing to you. We also hope that if you are not in the habit of daily prayer, this will inspire you to keep praying even when the campaign is over.

The prayers are organized around the different themes of the different weeks of the campaign. Some weeks the prayers will focus on spiritual renewal, other weeks on stewardship, and other weeks on celebrating the gifts that are coming forward during this campaign.

## **This Booklet Is Also a Helpful Campaign Calendar Tool**

Interspersed in the gray boxes are reminders of all the meaningful events and projects going on during the campaign.

If you want extra booklets, you can pick them up at church, or, if you prefer, contact Kristen in the church office to have an electronic copy sent to you.

Blessed praying,

Pastor Dave, Pastor Brian, and the Campaign Spiritual Renewal Team
