Due to the large number of parent and teacher attendees the usual board business was tabled to allow time for parent and teacher presentations.

Pastor Andrada opened the meeting with devotion and prayer. The emphasis was on the 8th commandment and on treating each other with love and respect, avoiding gossip or hurtful discussion.

Introductions were made.

Parents shared their concerns with the board. Board members listened, responded and thanked the parents for attending.

Parents were told they are always welcome to our meetings which are usually the 4th Tuesday of the month. They are asked to contact Debbie prior to attending so the date and time of the meeting can be confirmed as it sometimes deviates, and so any appropriate additions to the meeting agenda can be made.

Angie Jones presented her request for a dedicated room for Spanish.

The early elementary education teachers presented information.
